A meeting was held under the Chairmanship of Secretary (MSDE) at MSDE on 18<sup>th</sup> August, 2017 at 4.00 PM to review the progress on the recent decisions taken in the Pradhan Mantri Kaushal Vikas Yojana (PMKVY), 2016-20 w.r.t. target allocation. The list of participants is given at Annexure. Representatives from NSDC, few owners of the franchisee centres under PMKVY 2016-20 whose centres have been accredited and affiliated but targets have not been allocated attended the meeting.

2. After detailed deliberations, the following action points were agreed upon.
  - i. It was agreed that allocation of targets to 1700 franchisee centres (which have been accredited and affiliated but target allocation has not been done under PMKVY) would be given latest by Tuesday i.e. 22<sup>nd</sup> August 2017. The centres are expected to initiate training about one week of receiving targets.
  - ii. NSDC agreed to complete requisite modifications/ development in the software for conversion of existing franchisee centres to new TPs at the earliest and make it operational by 5<sup>th</sup> September, 2017. It was also informed that once the software modification/development is completed, conversion of franchisee centres to the new TPs will be done on the basis of application received from these centres. NSDC informed that previously many franchisee centres were not legal entities and it will take some time for these new TPs to get themselves a legal identity status which may delay the process in some cases.
  - iii. NSDC agreed that by next week i.e. 24<sup>th</sup> August 2017 physical inspections by the two new inspection agencies (QACA and iMacs) will start in full swing. Inspection of all existing franchisee TPs which apply for being TP owned TC will be completed in 4 weeks i.e. by end of September, 2017.
  - iv. It was also decided that as and when the inspections are completed and the centre found in compliance to the norms laid down under PMKVY guidelines, the first tranche of 30% advance and subsequent payments will be released. It was emphasised that NSDC will ensure that system should be ready to issue 30% advance to the qualified partners by the end of September, 2017. NSDC will share the final timelines for all the processes with MSDE by Monday i.e. 21<sup>st</sup> August 2017.

- v. As mentioned in Para (2) (iv) of the minutes of the meeting held on 5<sup>th</sup> August 2017 that "The additional requirement of Bank Guarantee for payment of Advance, which requires huge logistics is to be done away with as advance is paid after commencement of training. NSDC to submit a proposal on the same by 8<sup>th</sup> August 2017 for approval of the Hon'ble Minister." In this regard, it was decided that formal communication from Ministry to NSDC will be sent shortly.
  - vi. Secretary (SDE) reiterated the need for transparency in the whole process of target allocation and directed NSDC to share all decisions as well as guidelines prominently on NSDC website. Training partners were also requested to go through the communications posted on the website from time to time.
3. The meeting ended with Vote of Thanks.
